1991 Faculty of Theology Convocation Marks 150th Anniversary of the Archdiocese of Toronto

On 30 November 1991 St. Basil's Church was filled for the thirty-sixth Convocation of the Faculty of Theology of the University of St. Michael's College. Over sixty candidates received diplomas and graduate degrees in various areas of theological study.

Cardinal Gerald Emmett Carter, Chancellor of St. Michael's, conferred the University of St. Michael's College degrees of Doctor of Philosophy and Master of Arts in Theology. Cardinal Carter was joined by Professor Joan E. Foley, Vice-President and Provost of the University of Toronto (representing the Chancellor of the University of Toronto) in conferring the Toronto School of Theology and University of Toronto joint degrees of Doctor and Master of Theology, Doctor of Ministry, Master of Divinity, and Master of Religious Education.

To mark the 150th anniversary of the establishment of Toronto as a diocese, St. Michael's conferred honorary doctoral degrees upon Archbishop Aloysius Ambrozic, Archbishop of Toronto, upon Sister Mary Zimmerman, of the Sisters of St. Joseph, and upon Sister Olga Warnke, of the Loretto Sisters. In his citation, President Richard Alway noted Archbishop Ambrozic's reputation as a Scripture scholar, as a teacher, and as a firm spiritual leader.

Sister Mary Zimmerman, for over twenty years Administrator of St. Michael's Hospital in Toronto, is well known and highly respected for her work in health care in the Province of Ontario. Sister Olga, former Professor of French at St. Michael's, is acknowledged not only as an excellent academic but also as a retreat director and spiritual counsellor. Both Sister

Father Ladislas Orsy, S.J. to Give Twelfth John M. Kelly Theology Lecture 31 March 1992

The St. Michael's Alumni Association, upon the recommendation of the Kelly Lecture Committee, is happy to announce that Father Ladislas Orsy, S.J., internationally known for his writing and lecturing on topics in Theology, Canon Law, Ecclesiology, as well as for his writings on spirituality and prayer, has accepted the invitation to give the twelfth John M. Kelly Theology Lecture at 8:00 P.M., Tuesday 31 March 1992 in the Assembly Hall, second floor, Brennan Hall, St. Michael's College.

Born in Hungary, Father Orsy entered the Society of Jesus and was ordained priest in 1951. He has studied

Capital Campaign Update Report

Director of Development Maude McCarty (Photo: Peter Caton, Gerald Campbell Studios.)

By Maude McCarty, Director of Development

In the fall of 1988, St. Michael's College launched a $2.4 million five-year capital campaign, only its second such campaign in over sixty years. Since the Campaign's beginning, much progress has been made, not only in terms of dollars pledged but also in terms of the number of new contributors to the College. As we now enter the final phases of the Capital Campaign, we would like to bring you up to date on some of the aspects of this important endeavour.

The Campaign was launched, in connection with the University of Toronto's $100 million "Breakthrough" drive, to fund two projects that will enrich our teaching resources. The first is the development of a new academic complex behind Alumni Hall which will include two buildings. The first building is the existing Coach House, which will be restored to serve as a lecture hall, and will be named for a former student and long-time supporter of the College, Mr. Sam Sorbara, whose family's donation will cover the cost of the restoration. The second building, a new structure, will provide approximately forty offices for St. Michael's faculty and members of a teaching department of the University of Toronto's Faculty of Arts and Science. The annual operating funds for the entire complex will be provided by the University of Toronto, and, after twenty years, the buildings will be used exclusively by St. Michael's. Attractive landscaping of the area will form a new College quadrangle just north of St. Joseph's College, close to Queen's Park Crescent. The second Campaign project is the completion of the third and fourth floors of the John M. Kelly Library to provide additional space for the College's book and art collections. Work on architectural drawings for these projects is now under way, and we are planning to break ground in the spring of 1993.

Because of the generosity and dedication of alumni and friends of St. Michael's, we now have commitments for just under $4 million, of which $2.8 million has been received. In addition, the U of T is providing $1.6 million in matching funds from its "Breakthrough" campaign, giving us a pledged total of $5.5 million. Donations made to date have been placed in short-term rolling investments, the earnings from which

at the Gregorian University in Rome, the University of Louvain in Belgium, and at Oxford University in England. He holds degrees in Philosophy, Theology, Canon Law, and Civil Law, and has held professorial appointments in Theology and Canon Law at Fordham University, Georgetown University, the University of Fribourg in Switzerland, the Gregorian University in Rome, the Pontifical Oriental Institute in Rome, and at present is teaching Canon Law as Professor Emeritus at Catholic University, where he has been a member of the Department of Canon Law since 1974. He has also been Visiting Scholar at the Graduate Theological Union in Berkeley, California and has been granted membership in Canon Law Societies in Canada, the United States, Great Britain and Ireland, Australia, Paris, Vienna, Rome, and Zurich.

Father Orsy has published nine books and over two hundred articles, and has co-authored many other publications. His most recent works are Marriage in Canon Law; The Church: Learning and Teaching, Magisterium, Assent, Dissent, Academic Freedom; The Profession of Faith and the Oath of Fidelity. His Theology and Canon Law: New Horizons in Legislation and Interpretation is scheduled to appear this spring.

The lecture will reflect on the work of "The Group of Les Dombes", the French theologians of the Roman Catholic and Reformed Churches whose continuing dialogues over the past sixty years have made a significant and well-received contribution to the Ecumenical Movement. From a Roman Catholic perspective, Father Orsy will focus on the concept of the "Conversion of the Churches" as a condition of Christian Unity.

Alumni and friends of St. Michael's are invited to take part in what will undoubtedly be an enlightening and fruitful evening.

Archdiocese

Continued from cover.

Mary and Sister Olga represent the dedication and devotion of the Loretto and St. Joseph Sisters to the work of education, of healing, and of care for the poor and underprivileged through one hundred and forty years of the Archdiocese's history.

Archbishop Ambrozic gave the Convocation Address and emphasized the importance of symbol in the liturgy and pointed out the danger of using the liturgy for purposes of misguided indoctrination.

The ceremonies concluded with a reception in Brennan Lounge in the Odette Student Center.

Father Robert O'Halloran, C.S.B. 5T5 Appointed Registrar

At the end of December, Father Robert O'Halloran, C.S.B. assumed the responsibilities of Registrar for St. Michael's. Appointed to succeed Father Richard Allard, C.S.B., who has become Registrar of the University of St. Thomas in Houston, Texas, Father O'Halloran brings to the Registrar's Office a wealth of administrative and educational talents and experience. Born in Rochester, New York, Father O'Halloran received his Bachelor of Arts and Bachelor of Sacred Theology degrees from St. Michael's and his Master of Education degree from the University of Rochester. Since his ordination in 1960 he has served as teacher and administrator in Basilian high schools in Merrillville, Indiana and in Rochester. In 1970 he was named Dean of Student Affairs at St. John Fisher College; during this time he was elected to the Basilian General Council as Regional Representative for Eastern United States. Between 1977 and 1983 he was the Newman Chaplain and Basilian Superior at St. Thomas More College in the University of Saskatchewan, Saskatoon. The eight years preceding his present appointment to St. Michael's have been spent as Procurator of the Basilian Fathers' Missions, raising funds for catechetical and social programmes in Mexico, Colombia, and Niger in Africa.

The Alumni join the St. Michael's Community in welcoming Father O'Halloran and in wishing him well in his important work– work for which he is well suited and well prepared.

Father Robert O'Halloran, C.S.B. 5T5, new Registrar.

will fund the costs of the Campaign, with the remainder being dedicated to the Campaign projects.

While it might seem that St. Michael's now has more than enough funding for the projects, two realities must be recognized. First, our architects advise that, with the impact of new taxation measures and the cost of furnishing new spaces once constructed, the amount required to complete the projects to standard is at least $5 million. Second, most of the Campaign total is in pledges to be fulfilled over a number of years. So, although the Campaign is a success, it is not yet over. The Campaign office will continue to service existing multi-year pledges, and will welcome new commitments during these last two years of the drive.

We shall recognize the generosity of our Campaign donors in various ways, including, with their permission, publication of their names in future St. Michael's and U of T giving reports. In addition, as you will recall from our initial appeal, donors who contribute $1,500 or more to the Capital Campaign may have their names inscribed on a plaque that will be installed in the John M. Kelly Library at the conclusion of the drive. The Campaign pledge period officially ends in 1992; however, another year or so may pass before the projects will be finished. Since we cannot install a permanent plaque before the buildings are completed, we shall be preparing a preliminary recognition list which will include the names of those $1,500+ donors who fulfill their commitments by the end of 1992. Later, we shall install the permanent recognition plaque bearing the names of all $1,500+ donors who have completed their commitments by the end of 1993.

With the Capital Campaign now in its concluding stages, we have recently written to all our Campaign donors thanking them for their commitments and asking them to confirm their preferences for public recognition of their gifts. If you have contributed to the Campaign but have not received that letter, please let us know right away. Also, if you have not yet lent your support, and would like to take part in this important effort, please contact our Department of Development, 121 St. Joseph Street, Toronto, Ontario, M5S 1J4, 416/926-7281.

Fall Homecoming

Members of the classes of 7T2, 7T7, 8T2, and 8T7 take note!

The dates for Fall Homecoming 1992 are October 16, 17, 18. Save that weekend and COME BACK TO ST. MICHAEL'S! Anyone interested in serving with Class Reps on arrangements committees for this Homecoming Reunion Weekend please contact the SMC Alumni Office, (416) 926-7260.

1991-2 Annual Fund– Interim Report

The 1991-92 Annual Fund will end on 30 April; it currently has received slightly over $400,000. An impressive amount, given the economic climate. Thanks to all who have made their regular annual donation, to those who have resumed their participation in the Annual Fund, and to those who have joined the Annual Fund for the first time. A special thanks to the alumni, students, faculty and staff who volunteered their time during our three-day fall phonathon.

As it turned out, those three days were a most unfortunate time for our phonathon. The Toronto Transit Commission decided to go on strike just then. Getting to the phone centre and then getting home were very awkward. And when phone contact was made, our phoners were very likely talking with someone whose mood had been altered by their battle with traffic, or a long walk, to get home. However, given the SMC spirit, most of the volunteers made it to the phones, and, given the same spirit, the people phoned were courteous and cooperative. With one evening less and, understandably, a few less phoners than last year, over $38,000 was pledged, a bit more than last year's effort.

This year's Annual Fund goal is $600,000; the money has already been factored into this year's budget–no luxury of a "slip year." We all know the effects of the weakened economy. The cut-backs in Ontario Government funding to universities have been brutal, and, as has been recently announced, future government grants will not meet cost-of-living increases. As you well know, St. Michael's, despite strict budgetary measures, is in a deficit position, and although there is light at the end of the tunnel, that tunnel is very long, and the light faint. Without a successful Annual Fund, the College's position will worsen; some programmes at the heart of its spiritual, academic, cultural and athletic life will be curtailed or discontinued.

If you have not as yet made your Annual Fund contribution, please do so now. If you do not have the appeal forms you need, please call (416-926-7260) or write us for assistance.

Since 1961 the Annual (formerly "Varsity") Fund, under the initial and formative direction of Father John Kelly, has made a significant difference in the history of St. Michael's and in the history of Catholic higher education. Since its inception, the St. Michael's annual fund-raising campaigns have brought over six and a quarter million dollars to the educational enterprise of St. Michael's College. Where is that money now? It is in the lives of St. Michael's alumni whose education and careers have benefited from those funds. A heartfelt thanks to all who have contributed to this notable achievement–it is one more thing of which St. Michael's alumni and friends can be justly proud–but there is so much more good yet to be done!

Finally, next year's Annual Fund appeal slip might be a trifle more confusing than it is now. Be assured, the money you designate clearly for St. Michael's definitely will come to St. Michael's; any gift you designate for the "President's Fund", or other categories offered you as a donation choice, will not.

Man of LaMancha Rides Again–And So Successfully!

For some fifty St. Michael's alumni 7 December 1991 will now be remembered not only because of the fiftieth anniversary of the attack on Pearl Harbor but also because that was the night they came back to St. Michael's for a tasty buffet dinner and a remarkable performance of the musical favourite, Man of LaMancha.

The dinner and the company were delightful, a fitting prelude to the show itself. Staged by the St. Michael's Theatre Society, this revival of the "Mikities" tradition drew upon the talents of students from St. Michael's, as well as from other UofT Colleges and Faculties and other Ontario Universities.

The entire production–direction,

Academic and Residential Admission to St. Michael's

Have you questions about admission of your son or daughter to St. Michael's? Please contact the St. Michael's Registrar's Office, 81 St. Mary St., Toronto, Ontario, M5S 1J4, (416) 926-7117. Since the changes to the Ontario high school programme, admission requirements and procedures have altered, especially for students from outside of Canada. You can get in touch with the Registrar's Office by phone, appointment or letter–or all three! Identify yourself as a St. Michael's grad, and ask whatever questions you have.

As for residence, two hundred first-year students are admitted each year. St. Joseph's College, Loretto College and St. Michael's accept into residence those who are admitted to St. Michael's as well as some who have been admitted to professional faculties. Applicants who choose St. Michael's as their first choice of College are **assured** of a place in residence if admitted to the College. In recent years all first-year applicants from Metropolitan Toronto who have been admitted to the College have also been given a place in residence.

Alumni are encouraged to contact the Deans of Residence to make them aware of their son's or daughter's application and to arrange a tour of the residence. For further information, please call: Loretto College, (416) 925-2833; St. Joseph's College, (416) 924-2121; St. Michael's College (416) 926-7127.

orchestra, staging, costumes, make-up, acting, singing–had a professional quality and was vivified by an amateur (in the best sense of that word) vigour and enthusiasm that were refreshing and zestful.

Congratulations to all those involved in Man of LaMancha. The evening proved once more that drama is alive and well at St. Michael's.

BRANCHES, BRANCHES, BRANCHES,

Over sixty St. Michael's grads in the New York City area (and beyond) had the opportunity on 15 September to meet President Richard Alway and hear about the College's present situation and its hopes and dreams for the future. President Alway was accompanied by Alumni Director Robert Madden, C.S.B.

Don 6T8 and Joyce Kury Healy, with son Brian and daughter Mary Caitlin, were once more most hospitable and generous hosts and hostesses. Their Greenwich Village home again proved a perfect setting, despite some rain and a good deal of heat, for what was an animated and joyful gathering. From 1:00 P.M. until after 6:00 P.M. alumni of various years (3T2 to 8T9) and various places (New York, New Jersey, Connecticut, Ohio, Pennsylvania) renewed acquaintances, met new people, reminisced about their College days, got caught up on the latest news about classmates and friends, and partook of excellent refreshments arranged for by Don and Joyce.

It was a wonderful afternoon, thanks to the Healys and to those who phoned to remind people of the event. Special thanks to Brian and Mary Caitlin who formed an efficient and welcoming Registration Committee.

Plans for an Ottawa gathering are still in the embryonic stage, but you SMCers in that area, stay tuned!

FALL HOMECOMING '91

(All Photos: Father Frank Mallon, C.S.B.)

They came from far and near, and, for the Friday Night All Alumni Reception, from years 2T8 to 9T0. Some came from distant places in Canada and in the United States, but the long distance travel award has to go to Jacqueline Leong 7T1; she came from Sherbrooke St. Ainslie, Australia!

Over three hundred alumni crowded into Brennan Lounge in the Odette Centre and into the Coop for the Friday night reception and Homecoming Pub. Students and alumni danced up a storm in the Coop to music of the 70's and 80's. The students' advertisements graciously entitled the dance "Time Warp Pub".

Saturday afternoon saw the alumni team retain the Boozer Brown Memorial Trophy with a victory over the undergrad Mulock Cup team. The Mulock Cup team coach, Lex Byrd, was the referee for the game and was voted "Most Valuable Player" on the alumni team. The hot-dog lunch was enjoyed by all.

There were only a few empty seats in the Canada Room for the delicious and well-served Saturday-evening dinner. Principal Joseph Boyle spoke to the assembly about life at the College and the importance of the Annual Fund to that life.

The weekend concluded with the annual Homecoming alumni-student-faculty Mass, followed by a coffee-donut-Danish social in Brennan Lounge.

Many thanks to the class reps of 7T1, 7T6, 8T1, and 8T6 for their generous contribution of time and energy in planning and staging Homecoming '91.

Campus Notes

•Professor Joseph Boyle was installed as the fourth Principal of St. Michael's College at the Mass in honour of St. Michael the Archangel on 26 September. Father John Kelly, C.S.B., Dr. Lawrence Lynch, and Dr. William Dunphy are predecessors of Professor Boyle in this Office. The Principal of St. Michael's is responsible for the undergraduate programme. Principal Boyle will continue to teach in the Philosophy Department.

•President Richard Alway 6T2 has been elected Chairman of the C.D. Howe Memorial Foundation of Montreal. The Foundation is active in various areas of post-secondary education and sponsors a number of university scholarships. President Alway has also been elected to the Board of Directors of the Canadian Educational Standards Institute, which provides institutional and programme evaluation and accreditation for Canada's independent elementary and secondary schools.

•In an 11 November Remembrance Day service at the St. Michael's War Memorial in the More-Fisher Slype, the University of St. Michael's College community prayed for peace and remembered former students and all those who have died in war. Sister Johanna D'Agostino, I.B.V.M. of the Chaplaincy team, presided at the service comprised of prayers, Scripture readings and silent reflection. A piper performed "Amazing Grace", and Dean of College, Alexander Reford 8T4, played The Last Post and Reveille. President Richard Alway laid a wreath at the War Memorial.

•The Chaplaincy, the Students Union, the Italian Club and all segments of the College joined in a successful Christmas Food-Toy drive in early December. All donations were given to the Catholic Children's Aid and the St. Vincent de Paul Society.

•The McLuhan Programme, under the direction of Professor Derrick de Kerckhove of the French Department, has received a major grant from Buro von Systeem Ontwikkeling, a dynamic system development company in the Netherlands. Among its many explorations into the relationship between culture and technology, the McLuhan Programme includes graduate courses on the work of Marshall McLuhan himself, on literacy, media and culture, perspective and spatial concepts, and on Chinese language, orthography and culture. Professor de Kerckhove has recently completed two books, La civilisation video-chretienne, and Brainframes: Technology, Mind and Business.

•The John M. Kelly Library has added to its Counter Reformation Collection the rare volume Tractatus de communione sub utraque specie quantum ad laicos by Franciscan friar Augustin von Alveldt. Published in Leipzig around 1520, the tract is an interesting contribution to the controversy on the Holy Eucharist that broke out at the Reformation. Research indicates that this is the only known copy of this work in North America.

Professor Margaret O'Gara is greeted by Pope John Paul II in private audience. (Photo: L'Osservatore Romano, Arturo Mari)

•Philosophy Professor Robert Tully and St. Michael's grad Frederic Portoraro 8T6 have collaborated to produce SYMLOG, a combined text and computer programme of symbolic logic; the publication by Prentice-Hall, Inc. is expected sometime this year. The programme is at present available in the SMC Computer Centre in Alumni Hall to students enrolled in Professor Tully's symbolic logic course.

•For his extensive work on German culture Professor Hartmut Froeschle, German Department, has been awarded the Cross of the Order of Merit of the Federal Republic of Germany, one of Germany's most distinguished awards.

•In each term this year English Department Professors Harvey Kerpneck and Barrie Hayne, in conjunction with the St. Michael's Writing Centre and with the encouragement of Principal Joseph Boyle, are providing to St. Michael's students a special non-credit mini-course in effective writing to augment the limited formal instruction now available in the University.

•St. Basil's College, known to many alumni as St. Basil's Seminary, has undergone extensive renovations to provide increased facilities for St. Michael's Faculty of Theology and classrooms and offices for St. Augustine Seminary theology staff and students. The building will continue to contain residence accommodation for the seminarians and retired members of the Basilian Fathers; it will also house the offices of the Basilian General Curia and the Basilian Institute of Spirituality. The entire complex will be known as The Cardinal George Flahiff Basilian Centre.

•Many alumni, as well as regular parishioners, will remember the uniquely designed pews of St. Basil's Church: stately, solemn, solid and decidedly uncomfortable. After learning that redoing and repairing them would be exorbitantly costly and prove ultimately ineffective, parish authorities, as part of the current church renovation programme, authorized the purchase of new pews. The replacement was completed last fall. The disposal of the old pews would also have been very expensive, so they were offered to present and former parishioners, who quickly claimed them and carted them away.

•Professor Margaret O'Gara, Associate Professor in the Faculty of Theology, was received in a private audience by Pope John Paul II on 9 December 1991 during a meeting of the Disciples of Christ-Roman Catholic International Commission for Dialogue. Professor O'Gara was appointed by the Vatican to represent the Roman Catholic Church on this Commission, which is involved in a study on the nature of the Church. Pope John Paul told the members of the Commission, "Every step along the path of ecumenical understanding is essentially an act of loving obedience to Christ Himself."

•A highlight of the fall Orientation Programme was the joint "Orientation Convocation" of St. Michael's and Victoria College. On 3 September first-year students from both Colleges gathered in Convocation Hall to be welcomed to the University and to their Colleges by the Principals and Presidents of St. Michael's and Victoria, and by the President and the Provost of the University of Toronto.

SPORTS SHORTS

Championships Galore!

Is was a cold, sunny 17 November Sunday afternoon in Toronto, and the streets were lined with tens of thousands of people waiting for the Santa Claus parade to pass. In Varsity Stadium hundreds of loyal SMC fans, including President Alway and Principal Boyle, were cheering on the College's football team, hoping Santa Claus would answer their request and bring them the Mulock Cup.

Well, Santa Claus was not needed. The St. Mike's Mulockers themselves, under the astute guidance of veteran coach Lex Byrd and his assistant Dave Mann, provided that gift with their victory over previously undefeated Scarborough College, who had dominated the league for the previous three years and who had defeated the Double Blue earlier in the season.

The SMC offense worked smoothly, especially in the second half, and scored twenty points. And those points were unanswered because of the fine work of the defensive squad, directed by defensive coach, Phil De La Giroday 7T7. Phil's volunteer efforts were, to say the least, successful; St. Mike's did not give up a point in the final two games of the play-offs.

Congratulations to Lex, Dave, Phil and the entire team; they have brought the Mulock Cup back where it belongs–St. Michael's College!

But that is not all. St. Mike's reputation as the "College of Champions" was further enhanced by the performances of the Women's A Soccer Team and the Men's B Soccer Team; they won the championship in their respective divisions. Congratulations to them as well.

Now for the hockey and basketball championships!

Heritage Donors

St. Michael's College, in collaboration with the University of Toronto, is pleased to announce a new category of donor recognition for deferred gifts. Beginning this year, donors who confirm a deferred gift – such as a bequest or life insurance proceeds – will be known as Heritage Donors. If they prefer, Heritage Donors may certainly remain anonymous. However, we hope donors will permit us to include their names in periodic recognition listings, enabling us to publicly acknowledge their commitment and support during their lifetimes. In so doing, they would also be encouraging other alumni and friends with similar intentions to make their plans known.

A Heritage Donor listing will remain in effect for the donor's lifetime, or until he or she asks us to discontinue it. No information besides the donor's name will be released.

St. Michael's increasingly depends on the loyalty and support of alumni and friends, with deferred gifts becoming an important part of the planning process. We are therefore doubly appreciative when donors can give an estimate of the ultimate amounts of their gifts.

If you have planned a deferred gift for St. Michael's – whether or not you will permit us to list your name – please let us know. Simply complete and send the following form to the Department of Development, St. Michael's College, 121 St. Joseph Street, Toronto, Ontario, M5S 1J4, or telephone us at 416/926-7281.

Parent Orientation Day–It Just Grows and Grows!

Five years ago, the planners of the first "Parent Orientation Day" for parents and families of first-year students were gratified by the numbers who attended. Each year since then the College has continued to host such an orientation day, and each year the numbers grow and the importance of the day to the parents and to the College becomes clearer.

The fifth annual Parent Orientation Day was held on Sunday 22 September, and parents and families of first-year students came in large numbers not only from Toronto and the surrounding area, but also from Hamilton, St. Catharine's and Peterborough. Some came from Illinois, some from Windsor; one family drove all day Saturday from the Maritimes to be present on the Sunday.

The day began with a Mass that brought together parents, students, faculty and staff in standing room only numbers in the Brennan Assembly Hall. President Richard Alway and Alumni President Judge Joseph James then welcomed the guests and invited them to the alumni-sponsored brunch in the Odette Centre Lounge and Coop. Parents had the opportunity to meet and talk with and question members of the faculty, staff and administration, to tour the campus, and to visit and learn about the John M. Kelly Library.

President Richard Alway presented an historical perspective on life at St. Michael's, with indications of future directions. Principal Joseph Boyle spoke to the group about the nature of the undergraduate experience today. Helen Dunn Fitzpatrick 5T6, concluded the presentations with "Ten Commandments for Parents", her humorously phrased and experience-based wise advice to parents of first-year students.

The final event of the day was the scholarships and awards ceremony in the Lounge of the Odette Centre. Professor Marsha Chandler, Dean of the UofT Faculty of Arts and Science, joined Judge Joseph James and members of the St. Michael's administration in acknowledging the achievements of award-winning first-year students.

Parent Orientation Day has become an integral part of the College's life and is one of the most joyful occasions of the academic year. It is a significant contribution to the family atmosphere so central to our tradition.

1991 UofT ARBOR AWARDS RECOGNIZE ST. MICHAEL'S ALUMNI

On the afternoon of 15 May 1991 at a special reception at President Robert Prichard's home, seven graduates of St. Michael's were among those honoured by the University of Toronto for their dedicated long-term volunteer work for the University and for the College. Through their counsel and advice, and through their involvement in alumni activities and administration, in the day-to-day work of the alumni office, and in the development of the Chicago alumni branch, Pat Hollie Harding 5T8, Carol Codarini Hodson 6T9, Joan Harrison Johnston 6T8, Ed Kerwin 6T8, Madeleine Clancy Manley 3T3, Bill Moher 4T9, and Kathy Brummel O'Regan 6T4 have contributed significantly to the life and work of the University and St. Michael's.

"Y.A.C. Talk"
News from The St. Mike's Young Alumni

By Peter Boyce 8T8

The first months in '92 have been busy for the St. Michael's College Young Alumni. Fresh from the success of our first Santa Claus Parade Day, the Young Alumni switched gears and on 23 January presented its second annual Futures and Finance Night. Once again, impressive financial experts offered free advice on topics ranging from RRSPs to Estate Planning. Special "thank you's" to Mike Camacho 9T0, Phil Syron 9T0, the speakers, and the rest of the Special Events Team for arranging the evening.

Old acquaintances were renewed at the third "Reading Week Revisited" Pub on 15 February. Those of you who were not there missed the opportunity to relive your student days (and drink some of the cheapest beer in town). All is not lost, however; **Sunday 12 April is the Young Alumni Blue Jays Day.** As before, you will be able to socialize with old and new friends (while drinking some of the most expensive beer in town). This year we are going to attend the student Mass (Palm Sunday) in the St. Michael's College Chapel at 11:00 A.M. and then mosey down to the Skydome to watch the Jays play the Orioles and to check out Dave Winfield and our multi-millionaire–Jack Morris. Tickets are $18.50, but limited, so contact the Alumni Office now for ticket reservations and information, 926-7260.

As always, if you are interested in getting involved with the Young Alumni Committee's plans, please leave your name and number with the Alumni Office. We are always looking to expand the YAC Team. Stay tuned for upcoming Young Alumni events.

Uoft Fall Convocation

Over one hundred men and women were added to the rolls of St. Michael's College Alumni on 20 November at the UofT Fall Convocation.

Degree-granting ceremonies in Convocation Hall followed the Baccalaureate Mass in the College Chapel and an alumni-sponsored reception in Charbonnel Lounge for the graduands and their families and friends.

Father John Reddy, C.S.B. St. Michael's Chaplain, was Principal Celebrant and homilist at the Concelebrated Mass. President Alway welcomed the graduands and their parents and extended to them congratulations and best wishes on behalf of St. Michael's.

Pontifical Institute Hosts Special Exhibition

During the month of August, 1992, the Pontifical Institute of Mediaeval Studies will host an exhibition entitled: The Abbey of Saint Gall: A Cultural Center. The exhibition is organized in collaboration with the Pro Helvetia, the Arts Council of Switzerland, and the Embassy of Switzerland; it will probably be the only Canadian showing of this unique collection. It is sponsored here by Ciby-Giegy and Swissbank Corporation. The exhibition will take place in the main-floor reading room of the John M. Kelly Library. For further information contact Professor Sheila Campbell, 926-1300, Ext. 3221.

SOME PRE-CHRISTMAS DOINGS

Thanks to the planners, the two alumni Pre-Christmas events were pleasant occasions.

On Sunday 17 November the Young Alumni Committee hosted a successful "Santa Claus Parade Party" for alumni and their families. The day began with the Student Mass in the College Chapel, followed by hot chocolate, coffee and cookies in the Lounge of the Odette Centre. Santa stopped by on his way to his parade sleigh; some of the children had doubts about his authenticity, and noticed similarities to the Celebrant of the Mass. The alumni themselves had no doubts about his identity.

The group then took up excellent vantage points in a reserved area in front of More and Fisher on the Queen's Park Crescent Parade Route; the Lounge remained open to provide warmth, refreshments and "other necessities."

The second Christmas-related event was the annual Advent Mass in Charbonnel Lounge on Saturday afternoon 14 December. It provided a quiet respite from the hectic pace of the pre-Christmas rush and, after Mass, an opportunity to visit and partake of the Christmas goodies which they brought and those provided by the College Food Services Department. Michelene Urlocker and Nancy Wittman, members of the Chaplaincy's Student Liturgical Music Group, were very "instrumental", in making the Mass a time of prayerful celebration and reflection.

Father Owen Lee, C.S.B. to Speak on Wagner's Die Meistersinger

SUNDAY, 24 MAY 1992

Father Owen Lee and long-time admirer.

Father Owen Lee, C.S.B., Professor of Classics, author and widely acknowledged and admired opera commentator will give his annual St. Michael's Alumni opera lecture on Sunday, 24 May 1992, 2:00-4:30 P.M. in the Senate Chamber (#400) Alumni Hall, 121 St. Joseph St., St. Michael's College.

Fr. Lee's previous lectures to the alumni have been, "Four Operas of Verdi", "Wagner and the Greeks", "Mozart's The Magic Flute", and "Richard Strauss' Ariadne auf Naxos". This year he has agreed to speak on his own favourite opera, Richard Wagner's Die Meistersinger.
